WHEREAS, it is the policy of the State of Louisiana for all homeland security and emergency preparedness functions to follow the principles outlined in the National Incident Management System, or its successor, as set forth in R.S. 29:722(C); and

WHEREAS, the State of Louisiana will best achieve effective coordinated emergency planning by updating the state's current emergency operations order through the replacement of Executive Order Number JBE 2022-2, issued on January 12, 2022, and by the Governor's Office of Homeland Security and Emergency Preparedness updating its emergency operations plan.

**NOW THEREFORE, I, JEFF LANDRY,** Governor of the state of Louisiana, by virtue of the authority vested by the Constitution and the laws of the state of Louisiana, do hereby order and direct as follows:

This Executive Order shall constitute the State of Louisiana Emergency Operations Plan ("Plan"), which shall be binding on all departments, commissions, boards, agencies, organizations, and employees of the State of Louisiana, and on all local governments or political subdivisions of the state authorized or directed to conduct homeland security and emergency management operations.
- B. The Director shall supplement the provisions of the Plan by prescribing rules, regulations, and procedures. Once adopted, the supplement shall also be binding on all departments, commissions, boards, agencies, organizations, and employees of the State of Louisiana, and on all local governments or political subdivisions of the state authorized or directed to conduct homeland security and emergency management operations.
- C. Any supplement or subsequent changes to the plan shall continue to follow the principles outlined in the National Incident Management System, or its successor, and also provide for the emergency operations that may be implemented should an emergency and/or disaster strike the State of Louisiana or an area within the State of Louisiana.
